b. Cavalry Barracks:

About 30 soldiers (wearing red-bordered black epaulets) and six horse-drawn vehicles were observed in the barracks yard. The barracks buildings were being reconditioned.

Local residents stated that 200 to 250 troops were quartered in the barracks at the time of observation while not more than 50 to 60 troops had been quartered there several weeks earlier. A large number of troops were temporarily quartered in the barracks in early July 1949.

c. "Comitate House":

Town headquarters, little activity was observed there.

d. Station supply depot east of Soeptei Street: Repair work was done there by about 30 Soviet soldiers. No motor vehicle traffic but many ruts recently made by motor vehicles were observed there.

e. Railroad Station:

A train of 17 boxcars and nine gondola cars carrying new unnumbered trucks arrived there on 13 July 1949.
